5th March 2010

Dear Parents, Carers, Children and Staff,

We have had a great week in school with lots going on!

World Book Day

The children looked fantastic dressed up as characters from a book - you looked great. The teachers joined in too! Mr Askew, our SSO dressed up as Shrek and has not quite managed to get the green paint out of his hair!

Year 5 Assembly

Year 5 put on a brilliant assembly celebrating World Book Day! We all enjoyed finding out about their favourite books. The television quiz challenges of Countdown, Mastermind and 'Do you know more than a 10 year Old' was great fun. They made us laugh and we enjoyed seeing them take on the character roles of Mr Jones and Mr Tarry!

Virtuality Club

Year 5 and Year 6 children who attended the ICT club 'Virtuality' have created a superb animation based on the work of the artist Lowry. This was shown at the end of assembly and we were all impressed with the mini-film and the children's skill in creating it. The film has been entered into a competition looking at creativity in ICT. We wish them every success.

Year 2 Trip

Year 2 had a great morning at Coventry Cathedral. We were shown round by a guide and looked at the significant features in a church.

"I enjoyed looking at the different colours on the stained glass windows." Abigail

"I enjoyed dropping the golf balls from different continents and seeing the balls coming together for world peace." Corey

Governor Election

In May there will be 3 parent governor posts coming up for election. Information regarding these elections will be available after Easter. Parents who have reached the end of their term of office are eligible to reapply. I have made this information to you early so that you will have time to consider whether you would like to put your name forward. Please be aware that there will be further information coming out after Easter. Thank you

Nursery Registration

Reminder - have you registered your child for Nursery in September. If not then forms can be obtained from the office.

Champions!

Last year we had a lot of requests for a Girl's Football Club and so this season we have been running a very popular after school training session for the girls in Key Stage 2 (and soccer tots for all of Key Stage 1). On Wednesday we entered two teams into a Coventry wide tournament for girls held at the Alan Higgs Centre. Both our Year 3/4 team and Year 5/6 team made it through the group stages to the semi-finals, which is no mean achievement considering there were 20 schools taking part. The younger girls were very unlucky to lose at this stage but the older team made it through to a nail biting final. After an epic match the girls held their nerve and ended up winning a thrilling final on sudden-death penalties. Well done girls, it is great to have another piece of silverware in the trophy cabinet!

'It was great to meet up with other schools and winning the final was brilliant!' Rehmat

'It was a real challenge in the final, but... we won!' Reese

'We had lots of fun and were glad to get a medal for reaching the semi-finals. We worked hard as a team together and really enjoyed watching Year 5/6 win.' Aoife

African storyteller

An African storyteller called 'Out of the Ark' has worked in school with Year 2 to 6 today, using dance, drama and music to tell stories. The children in year three really enjoyed their session this morning.

"It was great but hard work getting your feet and the beat of the music together" Josh

"The story was interesting and we made a dance that told the story" Louise

Going for Gold! Morning of Music 2010

The children in Year 1 and Year 3 are taking part in a Morning of Music on March 9th (KS1) and March 18th (KS2) along with four other schools in the city. The children have been learning lots of songs and will perform a party piece.

Training Day

The last training day for the school year has been set for Friday 28th May.

Dates reminders

19th March Non uniform day for Sports Relief and Disco

Positive Parenting Evening
6:00 - 7:00 10th March 2010
Have you signed up to attend?
